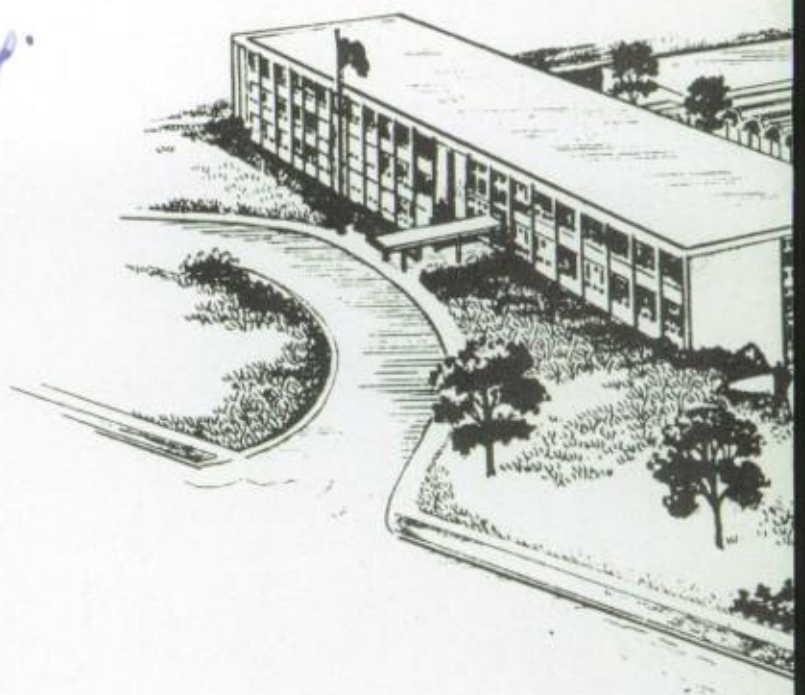
History of



Center was originally located in a one-room country school house south of Kansas City in Jackson County. The school continued as a one-room, three director district until 1914 when the growth of the population stimulated the demand for a three-room building which was erected at 85th and Paseo. This structure remained until 1925 when it was replaced by a larger building.

In 1928 the first high school graduating class consisted of eight members. This new building accommodated all the grades, the first floor being the grade school, the second floor being the junior high, and the third floor the senior high. In 1947 the building became over-crowded, and a high school building was erected at 84th and Euclid. The students had to commute back forth from their new high school to the present

Center Senior High School

grade school for lunch and gym classes. At this time all graduates from the elementary schools in this area, except Center Elementary, had the choice of attending Southeast, Southwest, or Center.

In 1956 the Center School District annexed the Dallas District and the Boone School District. The construction of Center South Junior High School followed shortly afterward in 1956. Again because of growing population and an over-crowded high school, plans for construction of a new high school began. In September, 1963 our present senior high was opened at 87th and Holmes.

Today the district consists of one senior high, two junior high, and five elementary schools.

The Importance of Being Earnest

. . . And then I put the baby in my handbag.

You scoundrel!

I never had the nerve to go back.

Curtain Call

"Of course I will, darling. How long you have been about it! I am afraid you have had very little experience on how to propose." So went some arresting lines from the fall play, *The Importance of Being Earnest*, a comedy of manners by Oscar Wilde, which was presented in the Garrison Auditorium November 23.

The events of the play occur during the eighteenth century in and around London, England. Two young girls, Cecily and Gwendoline, make up their minds that they can love only a man named Earnest. Their boyfriends, Jack and Algernon, both assume the name of Earnest to please their lovers. This leads to confusion, with the two girls thinking they are engaged to the same man. Inevitably the foursome meet at the same time, and the action begins.

The two culprits are exposed, and for awhile the girls are disgusted. Jack, being a foundling salvaged from a handbag in a cloak room, can't marry Gwendoline because he has no family tree. Ironically, the governess interrupts the conversation to disclose that she once lost Gwendoline's cousin, Earnest, in a cloak room. So endowed with a family tree, Jack can now marry Gwendoline. His name is even Earnest! The two couples live "happily ever after" . . .

And then the bags were switched.

Center's debaters, Benny Harding, Ron Hyatt, Larry Searcy, and Russ Usnick, won the Suburban Six Championship. Under the guidance of Mr. Brown, the Debate Club has contributed two trophies to Center's collection this year.

A man well liked by his students, Mr. Overbey has made vocal music extremely popular at Center. The choir sings a variety of music, ranging from classical motets and Negro spirituals to Broadway musicals and modern poetry. The choir performed for churches, clubs and conventions during the year. Future Teacher of the Year

This is the first year the F.T.A. has given a Future Teacher Award of the Year. Three candidates were chosen on the basis of personality, leadership, character, and participation in F.T.A. activities. Linda Carter, a member of the F.T.A. for three years, was chosen to receive the honor. Linda has served as secretary and this year as president of the organization. At present her future centers around elementary teaching.

Future Teacher of the Year, Linda Carter

Candidates for the award were Cheryl Lincoln, Linda Carter, and Ginger Johnson.

Future Teachers

Miss Lorene Roller

The members of Center's chapter of the Future Teachers of America spent the year gaining practical experience in the teaching field. By working with faculty members, they are enabled to realize the responsibilities and problems, as well as the rewards, which await them in the teaching profession. In the spring a day is given to this club to send its members into classrooms all over the district as student teachers. This and others of the club's activities have helped many students lay the foundation for a career in teaching.

The Center Y-Teens were established under the guidance of the Y.W.C.A. in Kansas City. Y-Teens is a girls' organization dedicated to the promotion of world fellowship through basic social and religious understanding in small groups.

Service projects, planned to help others, included trick-or-treating for U.N.I.C.E.F. and contributing fifty dollars to Mercy Hospital at Christmas.

Traditionally, the Y-Teens have sponsored the assemblies preceding religious holidays. Mr. Emler, Minister of Evangelism at Broadway Methodist Church, this year wove his Thanksgiving speech around youth opportunities. A very impressive candlelight Christmas assembly and the Easter assembly were presented by the Y-Teens.

A Hootenanny and several fashion shows at Macy's have been sponsored by this active group. Always active, this club has added much to Center life.

Architectural Design

The Architectural Design Club was organized to promote creative thought and ability in drafting. Every Tuesday night, the eight members met with Mr. Knopps to discuss various designs of buildings and houses and draw plans for them. Among the highlights of club activities were the designing of a "dream home" and the sponsoring of a meeting at which a guest speaker explained the special values in different house designs. Also is the meeting which a film showed the importance of weather conditions in the choice of house designs. Throughout the year this club has tried to advance the architectural skill of its members.

It is made up of twelve boys who are responsible for the props used in our school plays, as well as various industrial-arts projects of special interest to them as individuals. The club's main purpose is to develop vocational and recreational interests, to encourage and develop high standards of workmanship, and to encourage capable students to enter the field of industrial arts teaching.

At Thanksgiving and Christmas they did service projects for the Little Sisters of the Poor Nursing Home. They witnessed a demonstration by the Gas Company and a cookie sale in February. Although the club is relatively new at Center, it has been very active this year in training young home makers.

These girls prepare to leave for the Little Sisters of the Poor nursing home to brighten the children's Christmas Holidays.

On August 22, a group of Centerites gathered at Municipal Airport to meet the foreign exchange student who was flying in from Equador. The plane landed, and in walked a fellow with dark hair, dark eyes, a jaunty hat, and a friendly but slightly confused smile. Since then, most of the confusion has lifted, and all Center delights in its foreign student.

With the help of his foster parents, Mr. and Mrs. John E. Walker, Ric has completely mastered the routine of a "normal" American 'teen. In short, Center has "adopted" Ric and shown him how a typical Yellowjacket lives. In return, Ric has given of himself and has created impressions capable only of strengthening the friendship between his homeland and the United States.

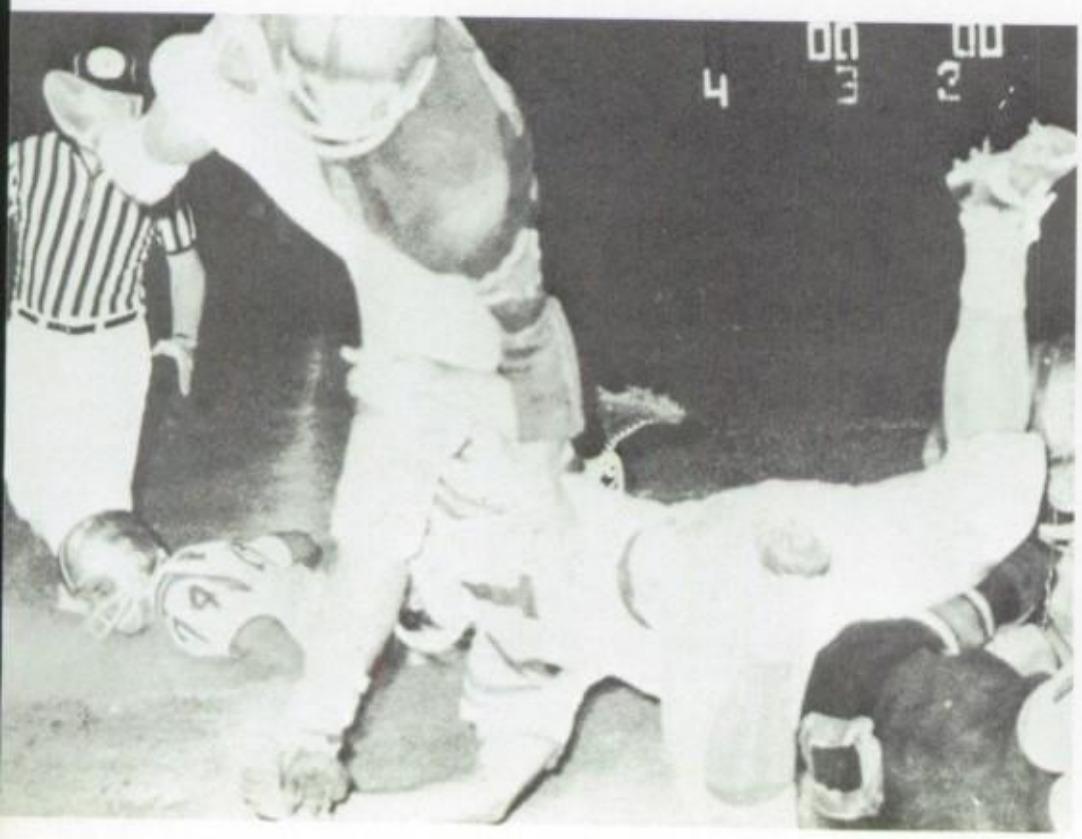
Center vs. Southwest

The Yellowjackets lost the opening game of the season 31-7. This was the first time that Center lost a season opener in the last four years. Jack Mankin scored Center's only touchdown by recovering a fumble in the end zone.

Center vs. Raytown South

Center came back to win their first home game by defeating the Raytown South Cardinals 14-0. The game opened with Raytown South trying an on-side kick, but the alert Jackets gained possession. Their defense held and Center punted. Raytown took the ball on their own 35 yard line and marched to the Center 4 yard line, but the drive was ended by a fumble. Defense was tough, but with 49 seconds left in the first half Rick Abernethy scored from 5 yards out. Katzberg, in only for kicking duties because of an injury, converted, and Center took the lead 7-0.

The second half was also a defensive battle, but in the early minutes of the closing period, the Center fans cheered when Abernethy went over from the 5-yard line. Katzberg split the uprights again, giving Center a 14-0 lead. Don Snoddy and Ron Huber sparked the defense with 17 and 16 tackles respectively.

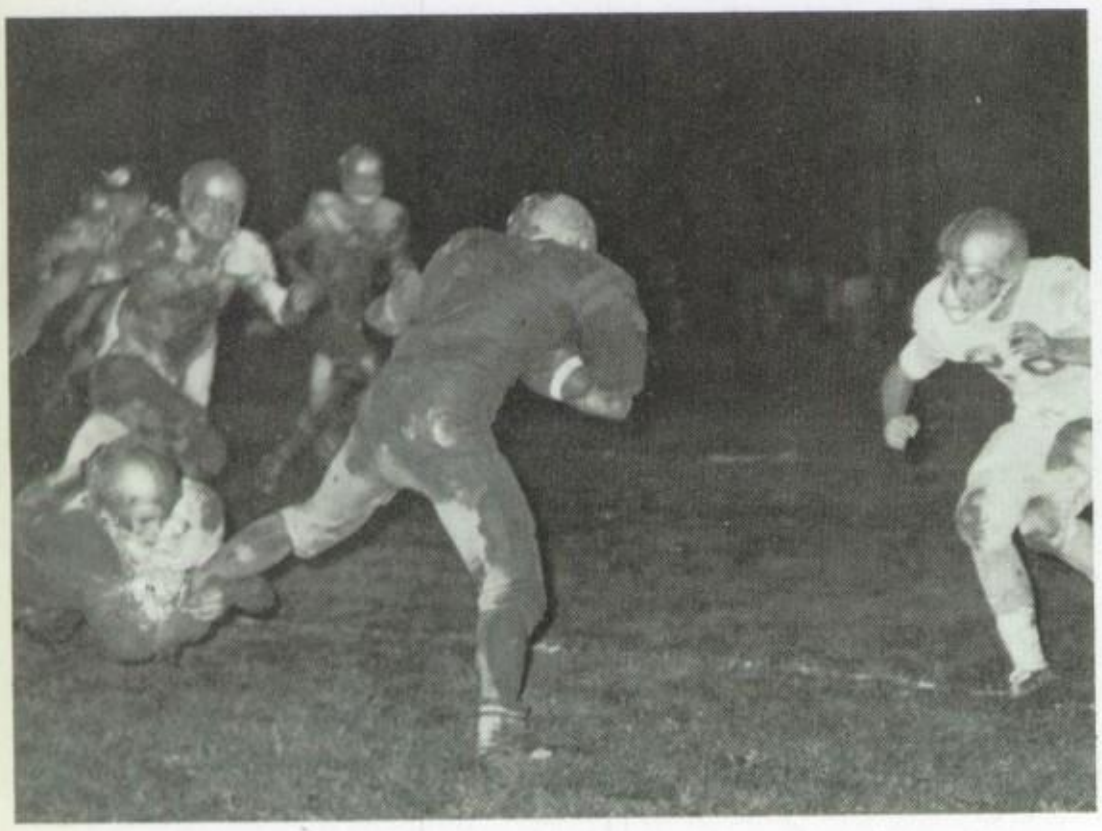


Center vs. North Kansas City

Center played their first conference game October 4 on the North Kansas City field. Good defense in the first half kept the teams scoreless. In the second half the Hornets exploded for two touchdowns. Down 13 points in the closing minutes, Rick Abernethy scored from the 6 yard line. Katzberg converted, but time ran out, with Center losing 13-7. Roger **Reese led** the defense charge with 22 tackles.

Center vs. Raytown

The Center Yellowjackets defeated the Bluejays of Raytown 20-13, at Raytown on October 11. In the opening minutes of the game Dennis Baker took a pass from Alan Katzberg to race 6 yards for a touchdown. Marc Swartz recovered a fumble on the Raytown 44; and Rick Abernethy, on a spectacular 56-yard run, put Center ahead 13-0. The Bluejays scored on a 14-yard pass before the half ended. Alertness again sparked a Jacket drive as Don Hodgins recovered a Raytown fumble; Abernethy went over for the touchdown from the 2-yard line and Katzberg converted the extra point. Raytown scored again in the closing minutes, making the score 20-13.



Center vs. Grandview

Center lost their Homecoming game to the Grandview Bulldogs by a score of 20-12. Early in the first quarter, Grandview scored on a 2-yard plunge by Barry Wilkinson. Jim Goostree blocked the extra point attempt. The Bulldogs again scored as Kilby carried the football over from the 20-yard line. The kick was good and Grandview led 13-0.

In the third quarter, Grandview scored again afterward converting to raise the score to 20-0. Center came back to score on a 53-yard pass play from Katzberg to Rimel. When the point after touchdown failed, the score stood Center 6, Grandview 20. Passing scored for Center again in the fourth quarter, but the extra point failed leaving Center defeated 20-12.

Center vs. Lee's Summit

On October 25 at Lee's Summit, Center suffered a 14-7 defeat. The first 5 downs of play gave Center 4 first downs as Center scored after a 63 yard drive. Katzberg converted, making the score 7-0.

After an exchange of punts, Lee's Summit scored on a 24-yard run. The extra point attempt was good and the game was tied. A Center fumble on their own 23-yard line gave the Tigers another tally, putting them in the lead with a score of 14-7. Twice the Tigers drove inside the 10-yard line, but the Yellowjacket defense held. The final score was Lee's Summit 14, Center 7.

Center vs. Ruskin

The Center Yellowjackets came alive on their own field to tromp the Ruskin Eagles 35-7. The Jackets played one of the best games of the season, scoring in all four quarters. Dennis Baker led the Center scoring with two touchdown receptions. Rimel, Katzberg, and Abernethy each scored a touchdown, while Katzberg was extremely accurate on extra points, converting 5 for 5.

Center vs. Van Horn

The Van Horn Falcons bowed to Center November 8 on the Center field. In the first quarter a 57-yard pass play from Alan Katzberg to Mike Rimel put the Yellowjackets on the Van Horn 9-yard line. Bob Brown scored and Katzberg's kick was good.

The Falcons' only scoring opportunity was blocked when Alan Katzberg intercepted a Van Horn pass on the Center 15-yard line. The defensively fought third quarter came to a close with Center just 6 yards away from another tally. Rick Abernethy scored, but Katzberg's extra point attempt was blocked. Van Horn was unable to score and Center gained a second straight victory, 13-0.

Center vs. William Chrisman

Center lost the last game of the season to the William Chrisman Bears here on November 15. The final score was 34-0.

The varsity cheerleaders practiced at sunrise throughout the summer and spent many hours practicing after school. They also attended a cheerleading clinic at the University of Oklahoma, July 22-28, winning first place for originality of their cheers. At the Oklahoma clinic the girls competed against squads from schools throughout the United States. The girls also participated in parades and pep rallies for the Kansas City Chiefs, led the student body at pep assemblies, and marched in the American Royal Parade. In Memoriam

Stan Munns

The Lord is my shepherd

I shall not want;
He makes me lie down in green pastures.
He leads me beside still waters;
He restores my soul.
He leads me in paths of righteousness
for his name's sake.

In Memoriam

G. Chandler Griffin

Even though I walk through the
valley of the shadow of death,
I fear no evil;
for thou art with me,
thy rod and thy staff
they comfort me
Thou preparest a table before me
in the presence of my enemies;
thou anointest my head with oil,
my cup overflows,
Surely goodness and mercy shall
follow me
all the days of my life;
and I shall dwell in the house
of the Lord forever.
